

COOKIES POLICY OF THE WEB

In relation to Cookies while browsing

The cookie (or computer cookie) is a small information sent by a website and stored in the user's browser, so that the website can consult the user's previous activity.

Table of cookies of this portal

Cookie Name	Type	Purpose	Duration
viewed_cookie_policy	Required	The cookie is defined by the GDPR cookie consent connector and is used to indicate whether or not the user has consented to the use of cookies. It does not store any personal data.	11 months
cookieLawinfo-checkbox-non-necessary	Required	This cookie is defined by the GDPR cookie consent connector. The cookies are used to give the user's consent to cookies in the "Not required" category.	1 year
cookieLawinfo-checkbox-necessary	Required	This cookie is defined by the GDPR cookie consent connector. The cookies are used to give the user's consent to cookies in the "Necessary" category.	1 year
PHPSESSID	Required	This tab is native to PHP applications. The tab is used to store and identify a user's unique session ID for the purpose of managing the user's session on the website. The password is a session password and is deleted when all browser tabs are closed.	1 year
test_cookie	Required	Test the cookies insertion.	11 months
_ga	Statistical	The cookie is used to calculate data on visitors, sessions, campaigns and to track site usage for the site analysis report. The cookies store information anonymously and assign a randomly generated number to identify unique visitors.	2 years
_gat	Statistical	These cookies are installed by Google Universal Analytics to restrict the percentage of applications in order to limit data collection in high traffic areas.	1 minute
_gid	Statistical	The cookie is used to store information about how visitors use a website and helps to create an analysis report on how the website is performing. The data collected, including the number of visitors, the source from which they came, and the pages visited anonymously.	1 day

MANAGE COOKIES

You can allow, block or delete the cookies installed on your computer by plugging this website or configuring the browser options installed on your computer.

If you are not sure what type and version of browser you use to access the internet:

HOW TO MANAGE COOKIES IN WINDOWS
